# Experience the FLUXUS Crown Series Elevators

Elevate the standard of your lifestyle.

### SAFE

At FLUXUS, safety is a top priority. Our ultimate goal is zero accidents. We promote safe practices for our employees, as well as our customers and equipment users.

### **ENERGY EFFICIENT**

Save upto 30% of power consumption by adding FLUXUS Permanent Magnet Synchronous motor to your elevator.

### **MODERN**

With FLUXUS MRL Elevators, there is no need for a dedicated machine room thus creating additional space for the architect to work with. So whether you want to offer a larger lobby or an expansive penthouse, we help you bring your vision to life.

### **CUSTOMISABLE**

Our robust design can carry a range of materials enabling you to tailor the elevator to your own designs, guide rails and overhead panels we enable you to offer the most pleasant aesthetics for your buildings.
